

How to Pull Back Your Curtains.

Description

Let some light shine into your home by pulling your curtains up. Bows add a nice decorative feature to sheer linen curtains.

A thick cord makes tying curtains back easy and looks beautiful. This simple trick will only take but ten minutes of your day. All you need to do is find a cord that matches your curtains to produce a carelessly elegant look to any room.

Tie up your curtains with some string for a simple, rustic look. Natural linen looks gorgeous held up with just some twine.
