hand sewing.

5. Now position the contrast strip on the right side of the case flap and pin it 4â?³Â• up from the bottom edge turning under each end to neaten, then topstitch in place.

6. From contrasting fabric cut 2, 4â?³Â• squares and stitch with right sides together leaving an opening. Turn to right side and fill with lavender then close opening with hand sewing. Press flap firmly in position on case and finish by adding a rhinestone to the contrasting strip.
