

Linen Cuff With Secret Pocket Tutorial

Description

blog.fabrics-store.com

This simple fashion project has been designed for a teenager to make. Firstly, it is right on-trend and secondly, it introduces them to the beauty of linen. This pretty shade in Daffodil IL019 is the ideal base for some embellishment. And hidden on the inside of this cuff is a secret pocket â?? ideal for storing a small key or coins.

Materials

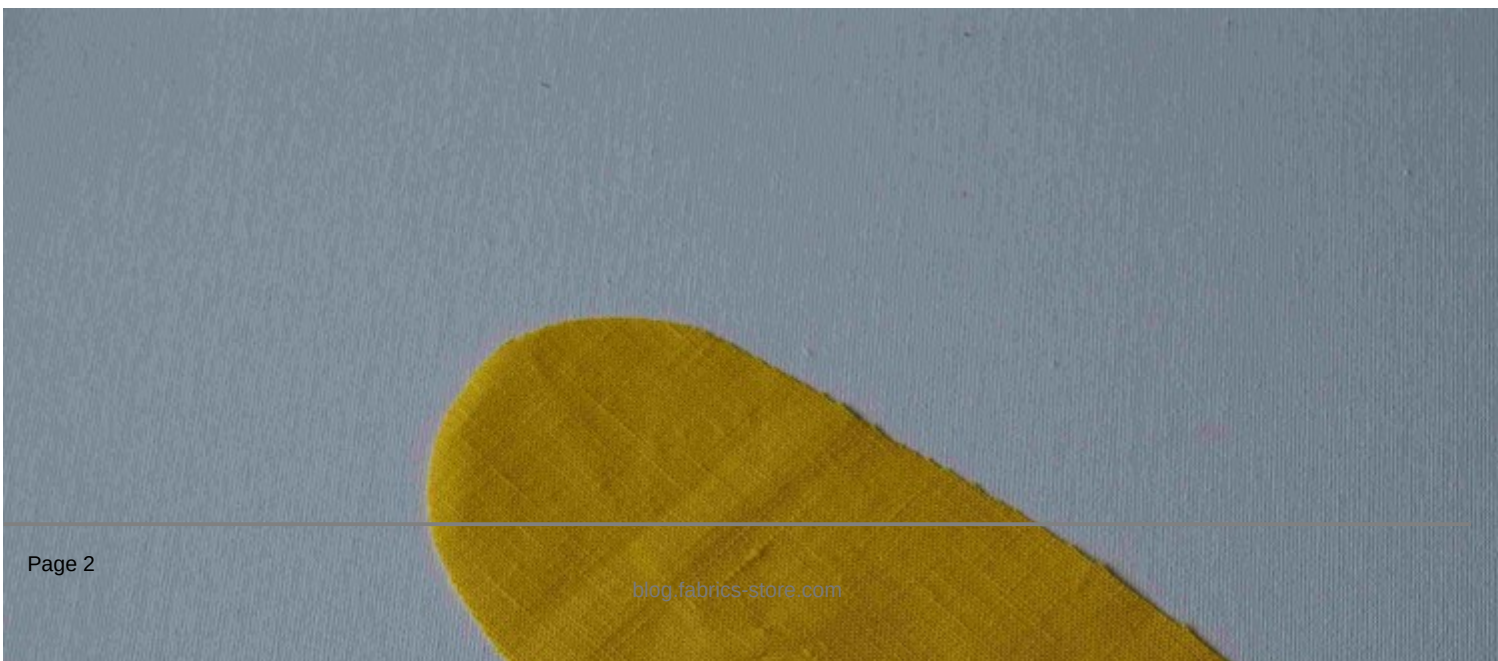

Small piece of linen in Dandelion IL019
Buttons, rhinestones and ready-cut flowers for embellishment
Small piece of felt

To Make Your Pattern

Use dressmakerâ??s squared paper to make your pattern. Draw a horizontal line 9â?³Â• long. At one end draw a vertical line (centralising it over the horizontal line), 4â?³Â• high. Now, at the other end of the horizontal line draw a vertical line (centralising it again) 2 â??Â½â?•Â• high. Join all the outer points together with a gently curved shape, making sure you round off each end of your cuff. Cut out this shape.

Cutting Out

Wrap your pattern round your wrist to check it fits comfortably and adjust if necessary, then cut it out twice in Daffodil linen in IL019. If you want a slightly firmer cuff then add in some lightweight interfacing.

Steps To Sew

1. With right sides together pin then machine the cuff pieces together, leaving an opening.

Turn to the right side, press and close opening.

2. Cut a pocket piece in felt 4 x 2â??Â½â?•Â•, then hand sew it to the back of your cuff leaving the top edge open.

3. Lay your cuff out flat and embellish with flowers, rhinestones and buttons.

4. Close your cuff with a snap fastener or a button and buttonhole.
