

## MarÃa Paula Open Back Dress Tutorial and Free Pattern

### Description

We found your new go-to dress for summer! Marãa Paula looks effortlessly chic with just the right amount of sexy. The sleeveless bodice, softly gathered midi skirt and a sensual open back give this simple silhouette a certain luster that can be dressed up or down for any occasion. Crafted from our [pure linen](#) in earthy rust color, this dress looks so modern and feels good on the skin. It's such a warm color and compliments many skin tones.

You don't need to show a lot of skin to feel sexy and the Marãa Paula dress is here to prove it. When you feel good about yourself and what you are wearing, especially if this something was handmade by you, it's going to reflect on the outside and make you look feminine and beautiful.

Follow this easy step-by-step tutorial and make a dress that will turn heads this summer!

## ***Materials***

For our sample size S pictured in this tutorial, we used 2 yards of [IC64 RUST Softened Medium Weight Linen](#)

For other sizes, please refer to the yardage table in the PDF pattern to determine the required amount of fabric.

Matching sewing thread, a small piece of lightweight fusible interfacing, one 1/2- 5/8 wide button

## ***Tools***

Scissors, pins, ruler, chalk, measuring tape, fabric marker, buttonhole foot, seam ripper, needle, sewing machine

## ***Difficulty***

Beginner

## ***Sewing Time***

4-5 hours

## ***Pattern***

You can access the multi-sized printable PDF pattern by following this link [HERE](#). All seam allowances are included and are 3/8" unless otherwise specified. The model is wearing size S.

Remember to transfer all the notches onto your fabric.

## ***Steps***

Note: Prewash your fabric and tumble dry it until it is still slightly moist, dry at room temperature. Iron the fabric so it is easier to work with.

1. To start, fold the button band extensions on the back pieces twice to the wrong side: first 3/8", then another 1". Press and pin.

To give some support to the button/buttonhole area, apply a small square of fusible interfacing at the upper edge of your button bands.

2. Edgestitch the folded button bands in place.

3. Pin the front and back bodices right sides together at shoulders and stitch at a 3/8" (1 cm) seam allowance. Finish the seams with your preferred

method (serge or zigzag the raw edges together) to prevent fabric from fraying. Press towards the back.

4. Bind the neckline as explained in [this detailed tutorial](#).

Tuck in the short ends like so:

5. Pin and sew the side seams. Finish the edges and press towards the back.

6. Bind the armholes as explained in [this detailed tutorial](#).

7. At the neckline, sew the buttonhole on the left back and attach the button to the right back.

For the buttonhole, you can follow our detailed tutorial [HERE](#). As for the button, check our tutorial [HERE](#) for instructions. Overlap the button bands and place a pin into the center of the buttonhole. This is where you'll need to attach the button.

8. Lap left back over right at the waist and baste the two button bands in place.

The bodice is now complete, time to sew the skirt.

9. Take your front and back skirt pieces and sew the two together at the side seams using a  $\frac{3}{8}$ " (1 cm) seam allowance. Finish the seams and press towards the back of the dress.

10. Prepare your patch pockets. Fold the top edge twice to the wrong side (first 3/8", then another 1") and edgestitch. Serge/zigzag the other edges and press them 3/8" to the wrong side.

11. Attach your pockets 5 ½” below the waist at the side seams (shift your pockets slightly towards the front skirt). You’ll find step-by-step instructions in [this tutorial](#).

12. Run two lines of basting stitches along the waist edge of your skirt (back and two fronts separately). Use contrasting color thread and leave long tails.

Please check our [detailed tutorial](#) if you don't know how to gather fabric.

13. Pin your skirt to the bodice matching the side seams and center notches and gather your fabric evenly in between these notches.

14. Sew the pinned edges at a  $\frac{3}{8}$ â seam allowance, remove basting stitches and finish raw edges with a serger or a zigzag stitch. Press seam towards bodice.

15. Finish the hem with a rolled hem. First, fold your fabric  $\frac{3}{8}$ " to the wrong side and press, then press another  $\frac{1}{2}$ " and edgestitch.

16. To sew the belt, join the two short ends of your rectangles right sides together. Press the seam open.

17. Then fold your fabric in half lengthwise with right sides touching. Leaving one end open, stitch along the long edge (1/4" away from the raw edge) and then pivot at the end corner and finish the end. Backstitch at the start and finish of the seam. Clip the corner.

18. Turn the belt right side out, use a sharp tool or a chopstick to turn the corners and press. Tuck in the raw edges into the opening, then stitch along the perimeter of your belt 1/8" from the edge to close the opening and prevent the belt from twisting in the future.

19. Give your dress a good last press and you are all done! We love seeing what you make! Donât forget to share your pictures and tag your creations with #FabricsStoreMarÃaPaulaPattern hashtag.
