

My Favorite Seven Patterns, Perfect for Linen

Description

When I first started sewing garments, I immediately fell in love with linen. I loved how it wrinkled with wear and it felt very forgiving as I taught myself how to sew a straight line or maintain the same seam allowance throughout a pattern. So when I sat down to think of my seven favorite patterns that I feel are perfect for linen, it took me a while to choose just seven!

1. **Soline Shorts by Staystitch Pattern Company**
   These shorts are the perfect relaxed fit shorts/pants pattern with a paperbag waist, combining the comfort of loose fitting legs with a cinched wide waistband. These shorts have become such a staple piece in my wardrobe & feel amazing in linen for warm weather. Offered sizes: 0-34 (25-54â?³ waist, 35-64â?³ hip).

2. **Calvin Crop by Jessilous Closet x Evan Ihde**
   This top has such a unique silhouette and can even be made reversible! Paired with linen, I feel like it combines a rustic texture to such a fun new shape. Offered sizes: 0-32 (31-57â?³ bust, 24-50â?³ waist).

3. **Olya Shirt by Paper Theory Patterns**
   The Olya will always have a special place in my heart. While it may be considered a basic button up shirt, as you tackle construction, you quickly realize the techniques are well advanced and a lovely challenge that produces the most elegant shirt. Made in linen, it has become my go-to shirt to throw on when Iâ??m on the go and want to be comfortable & cute. Offered sizes: 6-28 (31.5-56â?³ bust, 34-57.5â?³ hip).

4. **Zina Shirt by Fabrics-Store**
   The Zina shirt is another classic button up with many simple details that make it a fantastic beginner pattern and introduction to button up basics sewing. I absolutely love my black linen Zina shirt and wear it on clinic floors and on light strolls outside. Truly the most versatile pattern! Offered sizes: 0/2-28/30 (33-56â?³ bust, 35-58â?³ hip).

5. **Ella Dress by Silversaga Patterns**
   This dress is such an elegant & romantic pattern. I made my version in linen with a bleach block print design & it feels and looks divine. I think making Silversagaâ??s dresses in linen emphasizes just how timeless her pieces are. Offered sizes: 34-48 (31.5-48.8â?³ bust, 34.6-49.6â?³ hip).

6. **Enderall Sews Saturday Shorts**
   These shorts are classic summertime shorts you throw on when youâ??re heading out to the beach or going for a bike ride. I loved playing with my linen scraps from Fabrics-Store and creating this fun colorblocked version. Sizes offered: 0-32 (24-49.5â?³ waist, 34.5-59.5â?³ hip).

7. **Arthur Pants by SewLiberated**
   The ultimate elastic waist pants pattern that offers maximum comfort with a balloon leg style. I made these pants in a heavyweight linen & they are so fun to dress up or down depending on my day. Sizes offered: 0-30 (25-48.5â?³ waist, 33.5-57â?³ hip).

I think it goes without saying that linen is a pretty perfect fabric ð??? But I do feel that it really shines in these seven patterns.
